How did you hear about the CCNScalers ? _____

Do you have a home layout ? Yes _____ No _____

How long have you been modelling ? _____

Have you belonged to another club ? _____

Particular Modelling Interests ? _____

MEMBERSHIP CATEGORIES

There are three classes of membership: Charter, Regular and Family.

Charter membership is vested in those persons who were members during the time when monetary dues were assessed. This membership class is closed as of December 31, 2007. Regular members are those who petition the club after January 01, 2008. Family membership shall be available to include spouses and minor children of any Regular member. Family members do not have voting rights nor ownership in club assets.

MEMBERSHIP REQUIREMENTS

There are no monetary dues. Regular members are expected to participate in at least four days of club activities during each calendar year. Fulfilling the participation requirement in one calendar year maintains that person's membership through the end of the following calendar year.

Examples of qualifying club activities are (but not limited to):

Owning a compatible module and including it in a club-sponsored layout or another club's layout as a representative of the Central Carolina N Scalers,

Adopting a club-owned module and bringing it to a club-sponsored layout or another club's layout as a representative of the Central Carolina N Scalers

Assisting in the setup, operation, or teardown of a club-sponsored layout, Hosting or participating in an operating session at a member-owned home layout
